WOUND CARE ASSOCIATION
— COLLABORATION FOR HEALING —

IWCA-CON 2026

2nd International Interprofessional Wound Care Association Conference

Theme: Bridging Specialties, Healing Wounds:
A New Era in Wound Care Excellence

Focus on

Diabetic foot

Leg ulcers

Pressure injury

20th - 21st February, 2026 | Taj Surajkund Resort, Delhi NCR

SCIENTIFIC PROGRAMME

Joint Scientific Session
with EWMA

WoundPedia

IWCA CON 2026 | 20th February, 2026 | DAY- 1 (Friday)

Hall- A | Session 1: PLENARY (Integrated Across All Three Domains)

Chairperson: Ravi Mahajan, Tapish Sahu, Sanjay Vaidya, Rajesh Kesavan, Maneesh Singhal

Time	Topic	Speaker	Duration
08:00 AM Onwards	REGISTRATION		
08:30 AM – 08:45 AM	Welcome - Orientation to Scientific Tracks		
08:45 AM - 09:00 AM	Implementing Global Wound Care Standards	Riju Menon	15 min
09:00 AM - 09:15 AM	Antimicrobial Stewardship in Wounds: Balancing Safety & Resistance	Neha Rastogi	15 min
09:15 AM - 09:30 AM	Preparing the Wound, Preparing for Healing: Wound Bed Prep	Manoj Johar	15 min
09:30 AM - 09:45 AM	An Endocrinologist perspectives for management of DFU and DFI	SK Wangnoo	15 min
09:45 AM - 10:00 AM	Advance wound care technologies now and what is on the Horizons	Anshumali Misra	15 min
10:00 AM - 10:15 AM	Patient voices-Listening to the experiences of patients and caregivers	Reena Agarwal	15 min
10:15 AM - 10:30 AM	Current Concept in Post sternotomy wound (sternal wounds)	RK Khajanchi	15 min
10:30 AM - 10:50 AM	Diabetic Foot Care in Resource-Limited Settings: Practical Strategies & the VIP Approach	Gary Sibbald	15 min
10:50 AM - 11:05 AM	My World of Wounds	Abhishek Tiwari	15 min
11:05 AM - 11:20 AM	Future of Wound Care in India	Arun Bal	15 min
11:20 AM - 11:27 AM	Surgical site infection: new International guideline for postoperative care	Kyile Sandy Hodgetts	7 min

Hall- A | Session 2: IWCA - EWMA Joint Session

Chairperson: Abhishek Tiwari, Manoj Johar, Tapish Sahu, Anshumali Misra
Moderator: Bharat Kotru

Time	Topic	Speaker	Duration
11:30 AM - 11:35 AM	EWMA Message	Guido Ciprandi	5 min
11:35 AM - 11:50 AM	Complex Paediatric Wounds	Guido Ciprandi	15 min
11:50 AM - 12:05 PM	Wound Care: PLASTIC SURGEON PERSPECTIVE	Ravi Mahajan	15 min
12:05 PM - 12:20 PM	Vision and Challenges of Diabetic Foot Care in India	Bharat Kotru	15 min
12:20 PM - 12:35 PM	Pressure injury	Sunil Gaba	15 min
12:40 PM - 01:15 PM	LAMP LIGHTING CEREMONY		

Hall- A | Session 3: DIABETIC FOOT – Foundation of Diabetic foot care-Early Detection to Limb Salvage

Chairperson: Ashok Attri, Tushar Rege, Tarun Grover, Trilok Chand, KK Pandey
Moderator: Amit Burande, Pranay Pawar

Time	Topic	Speaker	Duration
01:15 PM - 01:30 PM	Biomarkers and risk factors for diabetic foot disease	Ashok Damir	15 min
01:30 PM - 01:45 PM	Decisions in Diabetic Foot Infections and Ulcers: When, What & How to Treat	Sandeep Suri	15 min
01:45 PM - 02:00 PM	Science of Offloading: From Biomechanics to Clinical Practice	Sanjay sharma	15 min
02:00 PM - 02:10 PM	Interactive MDT Case Discussion: Diabetic Foot Ulcer with Osteomyelitis	Behhalli Pavan	10 min
02:10 PM - 02:25 PM	When Delay Turns into Damage: Can We Still Recover the Limb?	Rajesh Kesavan	15 min
02:25 PM – 02:40 PM	Advanced Wound Care Modalities	Sanjay Vaidya	15 min
02:40 PM – 02:55 PM	Medical Management of Soft Tissue and Bone Infections in DFU	Saptrishi Bhattacharya	15 min
02:55 PM – 03:05 PM	Diabetic Foot Education & Preventive Podiatry	Govind Singh Bisht	10 min
03:05 PM - 03:20 PM	Risk Stratification in Diabetic Foot: Predicting Limb Threat	Milind Ruke	15 min
03:20 PM - 03:35 PM	The Diabetic Foot Through A Vascular Lens: What Wound Specialist Should Not Miss	Rakesh Mahajan	15 min
03:35 PM - 03:50 PM	Evidence for GLP-1s in PAD & DFU	Banshi Saboo	15 min
03:50 PM - 04:05 PM	Charcot neuroarthropathy (CNO) medical perspective	N K Singh	15 min
04:05 PM - 04:20 PM	HBOT for Diabetic Foot ulcers- Myth or Reality	Chaitanya Kodange	15 min
04:20 PM - 04:35 PM	Panel Discussion: Surgical Site Disasters Decoded: Managing Infected Mesh, Port Sites & Laparotomy Wounds	Panelists: Arun Prasad, Aloy J Mukherjee, Vivek Bindal, Neel Shah, Gyan Saurabh , Dhanjay Pandey, Tarun Mittal, Ashish Dey, Pawanindra Lal Moderator: Abhishek Tiwari	

Hall- A | Session 4: Leg Ulcers

Chairperson: VS Bedi, Maneesh Singhal, Abhilash Goyal, Naveen Verma, Dhanjay Pandey, Manpreet Singh Bindra
Moderator: Tapish Sahu, Ashutosh Kumar Pandey

Time	Topic	Speaker	Duration
04:35 PM – 04:45 PM	How Far Distal Is Too Distal? Redefining Limits in Wound-Driven Revascularization	Tarun Grover	10 min
04:45 PM – 04:55 PM	Open vs Endo in a case of diabetic foot - Vascular Surgeon's Perspective	Ravul Jindal	10 min
04:55 PM – 05:05 PM	Arterial & venous principles in ulcer care	Pranay Pawar	10 min

05:05 PM – 05:15 PM	Foot wounds in CVI, PAD & Diabetes – Therapeutic differences	Ajay Yadav	10 min
05:15 PM – 05:25 PM	Dressing selection in mixed etiology ulcers (Interactive)	Vibhakar R Vachrajani + MDT	10 min
05:25 PM – 05:35 PM	Is Doppler Enough? Imaging Pitfalls in Non-Healing Venous Ulcers	Ashutosh Kumar Pandey	10 min
05:45 PM – 05:45 PM	Arterial Insufficiency in Leg Ulcers	Apurva Srivastava	10 min
05:45 PM – 05:55 PM	Correlation between peak systolic velocity in tibial vessels with wound healing in diabetic foot ulcer patients	Ashish Airen	10 min
05:55 PM – 06:05 PM	Atypical Ulcers (Pyoderma, Vasculitis, Malignant Ulcers) : Rapid-Fire Case Challenge with Audience Polling . Recognition and red flags	Ameesha Mahajan	10 min
06:05 PM – 06:15 PM	Future Wound Clinic :technology , team work and outcomes	Ashok Puranik	10 min
06:15 PM – 06:25 PM	Demonstrating Nutritional Interventions in Diabetic Foot Management	Niti Desai	10 min

IWCA International & National Oration

06:30 PM - 06:45 PM	Oration	Gary Sibbald	15 Min
06:45 PM - 07:00 PM	The surgeon as leader during complications: Personal, institutional, and societal responsibilities	Arun Prasad	15 min

07:00 PM onwards **Mythology Meets Medicine:- Diabetes ki Ram Leela**

07:30 PM -08:00 PM **Inauguration (followed by Gala Dinner)
An evening of culture, connection, and celebration followed by Gala Dinner**

Hall-B (Palash hall - 1st Floor)

Session : 1 Bedside Vigilance to Advanced Repair

**Chairperson: Mohit Mathur, Shivangi Saha
Moderator: Binu Sharma**

Time	Topic	Speaker	Duration
01:30 PM - 01:40 PM	Risk assessment and early detection	Bobby Ramesh	10 min
01:40 PM - 01:55 PM	From mattresses to mobility: A 360-degree prevention approach	Surender Pal Singh	15 min
01:55 PM - 02:10 PM	Angiosomal PI development and ischemic reperfusion of Pis	Mohit Kumar Mathur	15 min
02:10 PM - 02:20 PM	Overview of skin grafting basic to advance	Harshwardhan	15 min
02:20 PM - 02:40 PM	Ideal donor site wound dressings : myth or reality	Shivam Dang	15 min
02:40 PM - 02:55 PM	Sarcopenia in Diabetes and Diabetic Foot:Healing Touch affected or not?	Amrit Pal Singh Sodhi	15 Min

Workshop Program

Hall-B (Palash hall 1st Floor) | Diabetes foot: Risk stratification to limb salvage

Chairperson: Sandeep Suri, Rajeev Singh, Vishal Goyal Mohan, Santosh Patankar

Moderator: Sanjay Sharma

Time	Topic	Speaker	Duration
02:55 PM - 03:05 PM	DIABETIC FOOT Behavior, management & awareness.	Mahesh Mangal	10 Min
03:05 PM - 03:15 PM	The Architecture of Salvage: Reconstructing limb and Reducing the Economic and Human costs of Diabetic limb losses.	Samishtha Bhattacharya	10 Min
03:15 PM - 03:40 PM	Foot Assessment and Tools for Foot Risk Stratification	Ashok Damir/ Govind Singh Bisht, Belehalli Pavan & Team	25 min
03:40 PM - 03:55 PM	Hands-on Insulin Strategies for Diabetic Foot Management	Ashish Saxena/Amrit Pal Sodhi/Kashif Ali	15 min
03:55 PM - 04:10 PM	Dressings close wounds. Nutrition heals them.	Niti Desai & Team	15 min
04:10 PM - 04:30 PM	Advance Dressings for Diabetic Foot Ulcer	Sanjay Vaidya/Rajeev Singh/Tushar Rege/ /Aswathy Achu & team	20 min
04:30 PM - 04:40 PM	Sorbact Technology: A Game Changer in Chronic Wound Management	Ajay Yadav	10 min
04:40 PM - 04:50 PM	Role of HBOT in wound management. Our experience	Tarun Chaudhary	10 min

HALL - C (Siris Hall) | Nursing Program

Station lead: Bharat Kotru, Anoop Pillai

Coordinator: Aswathy Achu

Time	Skills Lab	Co- Facilitators
03:00 pm to 05:00 pm	Wound Assessment. Measurement and Documentation	Ajitabh Alwin Thomas
	Negative Pressure wound therapy.	Unni Krishnan S.V
	Basic and Advanced wound dressing modalities	Saniya Bhatt
	Diabetic foot screening	Joseph Francis
	Negative pressure wound therapy (NPWT) Do's & Don'ts - Practical Guide for Clinicians	Nandini Singh

IWCA CON 2026 | 21st February, 2026 | DAY- 2 (Saturday)

Hall- A | Session 1: Plenary Session

Chairperson: Rakesh Mohan Khattar, Madhura Killedar, Arun Prasad, Neel Shah, Aloy J Mukherjee, Afzal Anees
Moderator: Kamal Gupta, Tushar Rege

Time	Topic	Speaker	Duration
08:45 AM - 09:00 AM	Education as the Strongest Tool to Prevent Amputations: A 25-Year Journey	Zulfiqarali G. Abbas	15 min
09:00 AM - 09:10 AM	Necrotizing fasciitis	Tushar Rege	10 min
09:10 AM - 09:20 AM	Renal involvement in DF affects wound outcome	Maneesha Singh	10 min
09:20 AM - 09:30 AM	What's New in Negative Pressure Wound Therapy (NPWT) for Diabetic Foot	Rajeev Singh	10 min
09:30 AM - 09:40 AM	Building confidence at the bedside: Nurses in the world of wound care	Col. Binu Sharma	10 min
09:40 AM - 09:50 AM	Pressure injury management - flaps and beyond	Venkateshwaran Narasiman	10 min
09:50 AM - 10:00 AM	Updated staging, device-related PI	Indira Rani	10 min
10:00 AM - 10:10 AM	Local wound management	Vikas Kakkar	10 min
10:10 AM - 10:20 AM	Series of Difficult to heal Wounds	V R Vachhrajani	10 min
10:20 AM - 10:35 AM	Managing anorectal wounds	Kamal Gupta	15 min
10:35 AM - 10:50 AM	Panel discussion – integrating complex cases and controversies	Vibhakar R Vachhrajani, Belehalli Pavan, Raja Tiwari, Milind Ruke, Surinder Singh Makkar, Bobby Ramesh	

Hall- A | Session 2: Leg Ulcers

Chairperson: Mohit Mathur, Anshuman Kasushal, Ashish Airen, Sanjay Sharma, Maneesha Singh, Pranay Pawar, Ameesha Mahajan
Moderator: Ravul Jindal

Time	Topic	Speaker	Duration
10:50 AM - 11:00 AM	Revascularization – Vascular surgery perspective	Harshit Malhotra	10 min
11:00 AM - 11:10 AM	Endovascular interventions & innovations	Hemanth Prajwal	10 min
11:10 AM - 11:20 AM	Global vascular guidelines & best-CLI practices	Achintya Sharma	10 min
11:20 AM - 11:30 AM	PAD diagnostics in the AI era	Bhupesh Garg	10 min
11:30 AM - 11:40 PM	Ulcer Management in Chronic DVT	Tapish Sahu	10 min
11:40 PM - 11:50 PM	Atypical leg ulcers	Gary Sibbald	10 min

11:50 PM - 12:00 PM	Below knee tibial angioplasty	Bhavesh Popat	10 min
12:00 PM - 12:10 PM	Role of compression therapy: A cornerstone in Leg ulcer healing	Luv Luthra	10 min
12:10 PM - 12:20 PM	Biostatistics and Machine Learning in Wound Care Research and Public Health	Manoj Kumar Diwakar	10 min
12:20 PM - 12:40 PM	Cross-specialty MDT Decision-Making	Tapish Sahu/ Bhabesh Popat / Pankaj Patel/ Jessey Thomas Bobby Ramesh	20 min
12:40 PM - 01:00 PM	Working Lunch (Industry Session - URGO)		
Chairperson: Manoj Johar, Abhishek Tiwari, Ravi Mahajan			
12:40 AM - 12:50 AM	Continuous debridement and integral debridement	Bharat Kotru	10 min
12:50 PM - 01:00 PM	Sequential treatment in chronic wound management	Anoop Pillai	10 min

Hall- A | Session 3: Diabetic Foot – Advanced Therapies & Complex Scenarios

Chairperson: Jessy Thomas, Digvijay Sharma, Virendra Wadhwa, Jaisom Chopra, Rajesh Vats, Pankaj Mehta
Moderator: Venkateshwaran Narasiman

Time	Topic	Speaker	Duration
01:00 PM - 01:10 PM	Comprehensive Metabolic Control in Diabetic Foot Management: Impact on Wound Healing and Limb Salvage	Ashish Saxena	10 min
01:10 PM – 01:20 PM	Evolving Concepts in Wound Care: Are Advanced Modalities Truly More Effective?	Sanjeev Bhatia	10 min
01:20 PM – 01:30 PM	Case Cafe: Short Diabetic Foot Case Discussions (Rotational Format)	Anoop Pillai	10 min
01:30 PM – 01:40 PM	Charcot Foot Pathophysiology: Staging, Vascular Diagnosis and Medical Management	V Rajashekhar	10 min
01:40 PM – 01:50 PM	Surgical Management of Charcot Foot Arthropathy	Amit Burande	10 min
01:50 PM – 02:00 PM	Stem Cells in Chronic Wounds: From Hope to Healing — What Works, What Doesn't, and What's Next	KVNN Santosh Murthy	10 min
02:00 PM – 02:10 PM	Extended indication of dermal metrix	Rajesh Vats	10 min
02:10 PM – 02:20 PM	Role of Inflammatory Markers in Diabetic Foot Ulcer Assessment	Gyan Chand	10 min
02:20 PM – 02:30 PM	Surgical Decision Making- in Complex Wounds -when,what, & how much	Anurag Mishra	10 min

Hall-A | Session 4

Chairperson: Ashok Attri, Sushma Sagar, Milind Ruke, Vikas Kakar, Arush Pasricha
Moderator: Ashvind Bawa

Time	Topic	Speaker	Duration
02:30 PM – 02:40 PM	Wound care challenges and opportunities in health care	Jessie Thomas	10 min
02:40 PM – 02:50 PM	Post Surgical wound management in obese	Gyan Saurabh	10 min
02:50 PM – 03:00 PM	Surgical site infections: A Global Surgical challenge	Afzal Anees	10 min
03:00 PM - 03:10 PM	Transformative Microvascular Reconstruction; A modern way to approach diabetic foot in various zones	Amit Agarwal	10 min
03:10 PM - 03:20 PM	Seeing Beyond the Surface: AI & Analytics in Wound Diagnosis	Ashvind Bawa	10 min

Hall-A | Session 5: SYMPOSIUM

Moderator: Mahesh Mangal, Sushma Sagar

Time	Topic	Speaker	Duration
03:20 PM – 03:40 PM	Industry Presentation by Urgo	Pratik	5 min
	Industry Presentation by Helomax NPWT	Devkinandan & Team	5 min
	Woxheal - Perspective in DFU	Tushar Rege	10 min
03:40 PM – 03:50 PM	Dermal Substitutes & Matrices	Onkar Singh	10 min
03:50 PM - 04:00 PM	Microsurgery & Reconstruction : Role of Microsurgery in Limb Salvage When Local Care is not Enough	Lalit Chaudhary	10 min
04:00 PM - 04:10 PM	Oxygen Therapies in Wound Healing	Tarun Sahani	10 min
04:10 PM - 04:20 PM	Necrotising Fasciitis - Early diagnosis to life saving interventions	Prema Kannan	10 min
04:20 PM - 04:30 PM	Trauma:An emerging playfield for wound coverage.	Sushma Sagar	10 min
04:30 PM - 04:40 PM	Metabolic Health: The Missing Pillar in Diabetic Foot Prevention	Kashif Ali	10 min
04:40 PM - 04:55 PM	Team-Based Planning Activity	MDT	15 min
04:55 PM – 05:10 PM	Closing Clinical Consensus Session Ravi Mahajan, Garry Sibbald, Manoj Johar, Guido Ciprandi, Sunil Gabba Rajesh Kesavan, Sandeep Suri, Bharat Kotru, Reena Agarwal		15 min
05:10 PM onward	Valedictory & Felicitation Session		30 min

Hall-B (Palash hall I Floor) | Session 1

**Chairperson: Ashvind Bawa, Riju Menon, Sanjeev Bhatia, Govind Singh Bisht, Indira Rani
Moderator: Manoharsha Gannena**

Time	Topic	Speaker	Duration
09:00 - 09:10 AM	Acellular dermal matrix in DFU	Manoj Sanap	10 min
09:10 - 09:25 AM	4th Edition of the NPIAP EPUAP PPIA International Pressure Injury/Ulcer Prevention Guidelines Essential Highlights	Elizabeth Ayello	15 min
09:25 - 09:35 AM	PRP: Adjunct, Not a shortcut	Arush Pasricha	10 Min
09:35 - 09:45 AM	Surigical offloading for management and prevention of diabetic foot ulcers	Vishal Goyal Mohan & Team	10 Min

Hall-B | Session 2: Workshop Program

Workshop Coordinator: Anoop Pillai, Luv Luthra, Neeru Bhandari, Dinesh Kardam

Time	Topic	Speaker	Duration
10:00 AM - 10:15 AM	NPWT : Hands on Demonstration and Advances	Venkateswaran/ Amit Aggarwal/ Nandini & Team	15 Min
10:15 AM - 10:35 AM	Advance Wound Dressings: Hands on Demonstration and Clinical Application	Anoop Pillai, Sanjay Sharma, Ashwathy Achu & Team	20 min
10:35 AM - 10:45 AM	Wound Autofluorescence Imaging Technology	Ashvind Bawa/ Bharat Kotru & Team	10 min
10:45 AM - 11:00 AM	TCPO2, Snap Shot Imaging, HBOT - Practical application of Hyperbaric oxygen therapy in wound healing	Tarun sahini, Manoj Gupta, Chaitanya R & Team	15 min
11:00 AM - 11:15 AM	Compression Bandaging Techniques and Pressure Modulation Strategies	Luv luthra/ Manoj Sanap, Pranay Pawar & Team	15 min
11:15 AM - 11:45 AM	Diabetic Foot offloading basic to advance- 3D Scanning & 3D printing	Kobe, V Rajashekhar, Bharat Kotru & Team	30 min
11:45 AM - 12:00 PM	Vascular Assessments - ABPI, TBI, Hand held Doppler, Venous Reflux	Ajay Yadav/ Samik Sharma & Team	15 min

12:00 PM - 12:15 PM	Wound debridement	Vikas Kakkar, Gyan Chand, Ranjna Basyal & Team	15 min
12:15 PM - 12:30 PM	Application of Modern Wound dressings and Sensor Technology	Tushar Rege /Lalit Chodhary Maneesha Singh, Sarvjeet Meravi & Team	15 min

Hall-B | Session

Chairperson: Gyan Chand, Ramesh Agarwal, Nitesh Anchal, Atrey Garg
Moderator: Samik Sharma

Time	Topic	Speaker	Duration
12:30 PM - 12:40 PM	The PRFCT Protocol: Are We Treating Diabetic Foot the Right Way? "	Manoharsha Gannena	10 Min
12:40 PM - 12:50 PM	The Non Formed Pedal Plantar Acrh and Critical Limb Ischaemia -Management Algorithm	Digvijay Sharma	10 Min
12:50 PM - 01:00 PM	Clinical foot biomechanics & Medical footwear	Shailesh Chhotala	10 Min
01:00 PM - 01:10 PM	AI in Wound Care: AI in Wound Care : Enhancing Diagnosis, Decision -making, and Healing	Samik Sharma	10 Min
01:10 PM - 01:20 PM	Psychological aspects of wound care	Chaitanya Kodange	10 Min
01:20 PM - 01:30 PM	Diabetic foot management with endovascular intervention	Jaisom Chopra	10 Min
01:30 PM - 01:40 PM	Role of matriderm in wound management - our experience	Devyani Dudeja	10 Min
01:40 PM - 01:50 PM	Assessment and rehabilitation strategies of sarcopenia in Type 2 DM	Arun Maya	10 Min

HALL - C (Siris Hall) | Session 3: Nursing Program

Time	Topic	Speaker
09:30 AM – 09:50 AM	Leading Together: Inter-Professional Collaboration in Advanced Wound Care	Abhishek Tiwari
09:50 AM – 10:00 AM	Closing the wound care loop: A hospital case study on standardized pathways improving healing time and reducing Length of stay.	Gulnaz Tariq
10:00 AM – 10:15 AM	The Future of Wound Care: Harmonizing Traditional Wisdom with Modern Innovation	Col. Binu Sharma
10:15 AM – 10:30 AM	Hyperbaric oxygen therapy in chronic wound healing: Evidence, Indications and Nursing Driven success stories.	Hiske Smart

10:30 AM – 11:00 AM Networking Tea		
11:00 AM – 11:45 AM	Panel Discussion: Integrating Nutritional Care into Wound Management: A Collaborative Approach	Moderator: Col Bhumeshwary Joshi. Panelists: Deepti Khatuja, Purvi, Rhitika Sharma, Arjun Goel, Harsha Sinha
11:45 AM – 12:00 PM	Asepsis the crux of wound healing - every sterile step saves tissue	Bansidhar Tarai
12:00 AM – 12:15 PM	AI-Guided Wound Dressings: A Boon for Nursing Practice.	Prof. Mamata Choudhary
12:15 PM - 01:0 PM	Multidisciplinary Practice in Diabetic Foot Wound Care: A Model for Quality and Safety.	Moderator: Prof. Lekha Viswanath Bharat Kotru Dheerja Babbar Mohit Sharma Rinzin Wangmo
01:00 PM - 02:00 PM Power Connecting Lunch		
02:00 PM - 02:15 PM	A Holistic Approach to Diabetic Wound Care: Integrating Clinical Determinants, Pain Management, and Psychosocial Support across Special Populations.	Deepa Mariya Raju
02:15 PM - 02:30 PM	Building a Competency-Based Wound Care Curriculum for Nurses: A Global Perspective	Session Chair: Capt. Indira Rani
02:30 PM - 02:45 PM	Transforming Nursing Education: The Academician's Role in Implementing a Competency-Based Wound Care Curriculum	Speaker: Prof. Kamlesh Kumari Sharma
02:45 PM - 03:30 PM	Debate: "Should Pressure ulcer be a Nursing KPI"? Yes/NO	Moderator: Bobby Ramesh For the motion: Loveleen Sunil, Manisha Rattan Against the Motion: Pooja Singh, Elizabeth Philip
03:30 PM - 03:45 PM QUIZ		
03:45 PM - 04:00 PM	Wound Care Nursing: Quality, Safety, and Standards.	Session Chair: Reena Agarwal Speaker: Lavanya Nandan
4:00 pm onwards Valedictory function & Prize distribution		

HALL - D (Siris Hall) | Abstract Presentation

01:40 PM - 03:00 PM	Allied healthcare Professional Workshop	Session Chair: Surinder Pal Singh	
Time	Topic	Speaker	Duration
03:00 PM-4:30 PM	Definitive Resolution of a Chronic Idiopathic Charcot Ulcer via Frame-Assisted Offloading and Transpositional Flap Reconstruction	Mahima Marwah	5+2 Min
	Hyperbaric Oxygen Therapy (HBOT) Effective approach for limb salvage in diabetic foot, A Narrative Review	Arghya Ghosh	5+2 Min
	Operation Room Related Pressure Injuries (Orpis)- Best Practice Guidelines	Kshitija Pawar	5+2 Min
	From Cardiac Drug to Wound Healer: The Role of Topical Esmolol in Diabetic Foot Ulcers	PUSHPAL PRASOON	5+2 Min
	Synergistic Use of Negative Pressure Wound Therapy and Topical Oxygen Therapy for Limb Salvage in Chronic Limb - Threatening Ischemia: A Case Report	B Abhinava Krishna	5+2 Min
	Management of electric burn wounds- One step ahead	Vimalendu Brajesh	5+2 Min
	Timing as a Determinant of Optimal Inter-professional Chronic Wound Management	Manoj K Johar	5+2 Min
	Radiation Induced Wounds	Manoj Kumar Johar	5+2 Min
	Matriderm Versus Biodegradable Temporizing Matrix (BTM) in dermal Reconstruction: A Comparative Clinical Study	Ankit Aggarwal	5+2 Min
	Autologous Platlet Rich Fibrin with Total Contact Casting with Foot Pressure Analysis in Non-Healing Diabetic Foot Ulcer – A Case Report	Gaurav Goel	5+2 Min
	TBD	Abhishek Munda	5+2 Min
	Amputation to Ambulation: Successful Limb Salvage in a Maggot-Infested Necrotic Lower Limb Wound	Harsh Vardhan Kaushik	5+2 Min
